Respected Sir,

Subject Re Sanction of additional amount for the purchase of Radio Set for the Sagar Municipality

I have the honour to state that this Municipality possessed a Radio Set from a long time and since it was old and damaged it was sold in public auction in the year 1945 for Rs 1,000/- Afterwards though it was a great necessity a fresh Radio Set was not got by the Municipality on account of the increasing rates In 1946 the Municipal Council felt that installation of Radio Set was one of the essential and urgent amenities to be given to the residents So it resolved that a new Radio Set should be got at a cost of Rs 1,300/- and the same was sanctioned by the Government in their Order No L 17316/M1 9-46-81, Bangalore, dated 23rd June 1947, copy of which is herewith enclosed for kind reference On calling for tenders the Municipal Council found out that amount sanctioned was quite inadequate to meet all the requirements of the people The then Municipal Council had not taken any technical advice

The tenders called for showed that at least Rs 2,000/- would be necessary for the full equipment of the Radio Set Moreover, the Municipal requirements have also increased The Council wants two Sets of Loud Speakers one on each side of the Municipal Hall so that all parts of the Town may take the advantage of the Radio Fence the Municipal Council in their Meeting held on 30th November 1947 took technical advice and resolved unanimously in accordance with its present needs that a good dependable Radio Set cannot be got for nothing less than Rs 2,000/- and so they resolved that Government may be requested to sanction an additional sum of Rs 700/- for the same The Council has also resolved that this additional expenditure

expenditure may be met from the closing balance of this year. They have resolved that it should be got immediately calling for tenders with specifications A copy of the resolution is herewith enclosed for kind reference along with some of the tenders received

Therefore, I request you to kindly sanction the additional sum of Rs 700/- for the above purpose as early as possible In anticipation of sanction arrangements are made already for installing the radio transmitter which will be completed within a week
